Area/County Boat Registrar:

Name: _____ Signed: _____

Two copies of this certificate

to be submitted to the Area/County

Boat Registrar

Name & address for return of certificate

Boat Certificate Other Than Canoes

- All boats and associated equipment are required to be examined before use.
- A self assessment should be carried out annually
- An Area/County inspection should be carried out at least once in three years.
- In each case two copies of the certificate of examination should be sent to the Area/County Boat Registrar for recording before equipment is used.
- All boats should display a valid (i.e. in date) boat sticker.
- The details of any boat transferred to another Scout Group must be notified to the Area/County Boat Registrar.
- All Scout references must be removed before disposing of a boat and the Area/County Boat Registrar notified accordingly.

Associated equipment should be checked by the examiner with further examination as recommended by the manufacturer											Date and detail of other examination
